

**STAGE D'IMMERSION 2ème ANNEE MEDECINE 2021-2022**

|   | 18/04/2022 13h-15h | 19/04/2022 13h-15h | 20/04/2022 13h-15h | 21/04/2022 13h-15h |
|---|--------------------|--------------------|--------------------|--------------------|
| <b>AILE I CHIRURGIE GENERALE</b>          | GR 1               | GR 1               | GR 2               | GR 2               |
| <b>AILE II CHIRURGIE THORACIQUE</b>       | GR 3               | GR 3               | GR 4               | GR 4               |
| <b>AILE III CHIRURGIE GENERALE</b>        | GR 5               | GR 5               | GR 6               | GR 6               |
| <b>AILE IV TRAUMATO-ORHTOPEDIE</b>        | GR 7               | GR 7               | GR 8               | GR 8               |
| <b>AILE V (UROLOGIE)</b>                  | GR 9               | GR 9               | GR 10              | GR 10              |
| <b>AILE VI (NEUROCHIRURGIE)</b>           | GR 11              | GR 11              | GR 12              | GR 12              |
| <b>DERMATOLOGIE</b>                       | GR 13              | GR 13              | GR 14              | GR 14              |
| <b>HEMATOLOGIE (20 AOUT)</b>              | GR 15              | GR 15              | GR 16              | GR 16              |
| <b>MEDECINE A (MALADIES INFECTIEUSES)</b> | GR 17              | GR 17              | GR 18              | GR 18              |
| <b>MEDECINE B (GASTROENTEROLOGIE)</b>     | GR 19              | GR 19              | GR 20              | GR 20              |
| <b>MEDECINE C (PNEUMOLOGIE IBN ROCHD)</b> | GR 21              | GR 21              | GR 22              | GR 22              |
| <b>MEDECINE D (ENDOCRINOLOGIE)</b>        | GR 23              | GR 23              | GR 24              | GR 24              |
| <b>MEDECINE INTERNE</b>                   | GR 25              | GR 25              | GR 26              | GR 26              |
| <b>NEPHROLOGIE</b>                        | GR 27              | GR 27              | GR 28              | GR 28              |
| <b>NEUROLOGIE</b>                         | GR 29              | GR 29              | GR 30              | GR 30              |
| <b>P.32 URGENCES TRAUMATOLOGIQUES</b>     | GR 31              | GR 31              | GR 32              | GR 32              |
| <b>P.34 CHIRURGIE PLASTIQUE</b>           | GR 33              | GR 33              | GR 34              | GR 34              |
| <b>P.35 URGENCES VISCERALES</b>           | GR 35              | GR 35              | GR 36              | GR 36              |
| <b>PEDIATRIE I</b>                        | GR 37              | GR 37              | GR 38              | GR 38              |
| <b>PEDIATRIE II</b>                       | GR 39              | GR 39              | GR 40              | GR 40              |
| <b>PEDIATRIE III</b>                      | GR 41              | GR 41              | GR 42              | GR 42              |
| <b>PEDIATRIE V</b>                        | GR 43              | GR 43              | GR 44              | GR 44              |
| <b>PNEUMO 20 AOUT</b>                     | GR 45              | GR 45              | GR 46              | GR 46              |
| <b>RHUMATOLOGIE</b>                       | GR 47              | GR 47              | GR 48              | GR 48              |
| <b>URGENCES PEDIATRIQUE</b>               | GR 49              | GR 49              | GR 50              | GR 50              |
| <b>RADIOTHERAPIE ONCOLOGIE</b>            | GR 51              | GR 51              | GR 52              | GR 52              |
